BIG GAME GENERAL

Nothing herein shall be construed to authorize the hunting of game animals of any kind within any game preserve, closed area or refuge now established or which may be hereafter established for the protection of game animals unless otherwise specified.

In the event unforeseen conditions should develop, resulting in the possibility of undue reduction of big game, the State Fish and Game Director has authority to close or shorten the season upon two days' notice.

1957 Deer and Elk Hunting Regulations

(All Dates Given Are Inclusive)

CLOSED TO HUNTING OF ALL BIG GAME
(State game preserves and closures, Federal wildlife refuges, National Parks and Indian reservations. For hunting privileges on other than Blackfeet, Cheyenne, and Flathead Indian reservations, see local agency in question.)

REGULATIONS GOVERNING 1957 DEER, ELK AND BEAR SEASONS

ELK AND DEER CARCASSES TO BE TAGGED: Chapter 267—Laws of 1955, Montana Fish and Game Laws, "... when any person shall take or kill any deer or elk under such license, such person shall immediately thereafter detach from his license, and attach in plain sight to the carcass of said animal or animals, the proper tag, completely filled out, which said tag shall be kept attached thereto so long as any considerable portion of the carcass remains unconsumed."

GENERAL DEER AND ELK SEASON: October 20, 1957 through November 24, 1957, except as otherwise specified in regulations below.

ELK LIMIT: One elk per person per license year.

SHOOTING HOURS: Shooting hours for all big game shall be between 5:00 a.m. and 8:00 p.m. Mountain Standard Time.

BUCK SEASONS: In buck only areas, hunters may take one male deer with antlers not less than four inches in length above the top of the skull.

TWO DEER AREAS: In exchange for coupons attached to big game licenses, license dealers in two deer areas will make available for a ten cent fee, deer tags to hunters who wish to take a second deer.

Where second deer must be a white-tailed deer, the special tag shall be used on white-tailed deer only.

Where second deer must be a mule deer, the special tag shall be used on mule deer only.

NON-RESIDENT \$20.00 SPECIAL DEER LICENSES: All areas designated by the letter "N" will be open for one deer only to Non-Resident \$20.00 license holders; the \$20.00 license will be available by mail from the Fish and Game Department, Helena, Montana, and from designated license agents.

Archery Season Regulations

In any special area open to bow and arrow hunting, a special archer permit (\$2.00) shall be required and may be obtained from the Fish and Game Department in Helena or your local license dealer agent.

The use of firearms in any manner to aid or assist any person in the hunting or killing of any game animal or birds during the open season in any special area where the hunting with bow and arrow only is allowed, is prohibited.

When any area is declared open to hunting game animals or birds with bow and arrow only, the following type equipment shall be used: A non-mechanical bow of not less than 40-pound pull, capable of projecting an arrow 150 yards. The arrow shall not be less than 24 inches in length. It shall have a steel cutting head not less than one inch in width.

Be a Good Woodsman -- Use Care With Fires -- Leave a Clean Camp

Good Sportsmen Observe the Rights of Landowners

It is further prohibited for any person to use any crossbow or mechanical bow to hunt or kill any game animal or game bird at any time.

During the archer season an archer may take two deer in two deer areas as prescribed in the regulations for such areas.

1957 Archery Season

WEST OF THE CONTINENTAL DIVIDE: All that portion of the State of Montana lying west of the Continental Divide shall be open to either sex deer hunting from September 29 through October 19 by archer permit holders only.

EAST OF THE CONTINENTAL DIVIDE: All that portion of the State of Montana lying east of the Continental Divide shall be open to either sex deer hunting from September 15 through October 19 by archer permit holders only.

N— All numbered areas with this designation shall indicate areas open for archery hunting by \$20.00 non-resident permit holders.

All areas in the state shall be closed to the hunting of elk, deer or bear except during the open season dates as specified in the areas herein described.

1957 Bear Season

GENERAL BEAR SEASON: That portion of the state east of the Continental Divide shall be open to the hunting of black bear from March 17 through May 31, 1957, and shall be open again for the hunting of black and grizzly bear on October 20 with the exception of such areas where elk and deer seasons open earlier and in these areas, the bear season shall be open to coincide with such elk or deer seasons and close on November 24, 1957.

That portion of the state west of the Continental Divide shall be open to the hunting of black bear from March 17 through November 24, 1957 with the exception of the Bob Marshall Wilderness Area which shall be open from September 15 through November 24, 1957. The grizzly bear season shall be open from October 20 through November 24 except in such areas where the elk and deer seasons open prior to October 20 and in these areas the grizzly bear season shall be open to coincide with the elk or deer seasons and close on November 24.

BAG LIMITS, CUBS, USE OF DOGS: During the open season on bear, the limit shall be one bear per person per season, with the exception that it shall be unlawful to kill cub bears or female bears with cubs at their side. It shall be unlawful to use dogs in the hunting of bear, with the exception of livestock owners, employees of the State Fish and Game Commission and of the United States Fish and Wildlife Service in pursuit of stock-killing bears, or other means of taking stock-killing bears, provided there is evidence the bear has been destroying livestock.

The use of dead falls and baiting of bear is prohibited by law.
